MEMORANDUM FOR: Chairman, Security Committee

FROM: Director of Central Intelligence

SUBJECT: Leaks

As part of our broad presentation of a program to deal with leaks will you work with the General Counsel's office to get a comprehensive paper on legal and legislative aspects of this on where we stand and where we should try to go. Take it up with Sporkin. [redacted] prepared an extensive paper on this a couple of months ago for Eloise Page which might provide a start on this. I also attach proposed legislation received from Eloise.
